

CBBAG Online Gallery Guidelines

Purpose:

The purpose of the CBBAG Online Gallery is to exhibit the work of CBBAG members on the world wide web with the aim of: 1) increasing exposure for CBBAG members; 2) providing CBBAG members with the opportunity to view work they might not otherwise see; and 3) present the public the opportunity to see the work being done by CBBAG members. The Online Gallery is designed to complement the CBBAG exhibition programme.

The CBBAG Online Gallery will be directed by a Curatorial Committee.

Guidelines:

The Online Gallery will showcase the following exhibits:

- Solo and two-person exhibitions
- Small group shows - with one contact person responsible for the exhibitors
- Regional shows - curated

with the goal to include shows in all book arts fields and to provide a mix of solo and group exhibitions.

Exhibitors must be CBBAG members.

Criteria:

Exhibit proposals will be considered based on the following criteria:

- the timeliness of the exhibit
- the quality of the images provided
- how much other exposure the works to be exhibited have received
- the variety it will add to the Online Gallery's schedule
- the quality of the work
- whether there is sufficient work (both in quantity and in variety) available to present an exhibition which will be of interest
- whether the text and images will fit in the 10MB web space allocation

The Curatorial Committee has the right to refuse any proposals which do not fit the criteria. As well, the committee may turn down proposals if it feels it cannot accommodate them in a timely fashion.

CBBAG members will be invited to make proposals for both solo and group exhibitions, both exhibitions in which they would participate and those which they think would be of interest to themselves and other members.
